To date, OMM has worked cooperatively with the Fee Examiner to ensure that AAFAF is provided with cost-effective and efficient services.

8. On December 15, 2017, OMM filed the *First Interim Application of O’Melveny & Myers LLP for Allowance of Compensation for Services Rendered and for Reimbursement of Expenses as Counsel to the Puerto Rico Fiscal Agency and Advisory Authority for the Period From May 3, 2017 through September 30, 2017* [ECF No. 2063] for matters related to the COFINA Title III matter (“OMM COFINA First Interim Fee Application”) seeking compensation in the amount

12. This application seeks allowance of compensation and reimbursement of expenses

incurred by OMM solely in connection with the COFINA related matters described below.

COMPENSATION REQUESTED BY OMM

13. AAFAF has retained OMM pursuant to an engagement letter dated July 6, 2017, (the “Engagement Letter”).²

14. OMM’s hourly rates are set at a level designed to compensate OMM fairly for the work of its attorneys and paraprofessionals and are disclosed in detail in the Engagement Letter. Following execution of the Engagement Letter, and in light of the unique facts and circumstances of these Title III cases, OMM agreed to provide a 15% discount on all fees incurred under the Engagement Letter, which is reflected in all Monthly Fee Statements submitted during the Compensation Period. OMM further agreed to apply the 15% discount to its 2017 rates for the balance of Puerto Rico’s 2018 fiscal year.

15. OMM’s rates are appropriate for complex corporate, securities, litigation, and restructuring matters, whether in court or otherwise. The rates and rate structure reflect that such complex matters typically involve great complexity, high stakes, and intense time pressures. OMM submits that the compensation requested is reasonable in light of the nature, extent, and value of such services provided to AAFAF.

16. During the Compensation Period, OMM did not receive any payments or promises of payment from any other source for services rendered or to be rendered in any capacity whatsoever in connection with the matters covered by this Application. There is no agreement or understanding between OMM and any other person, other than partners of the firm, for sharing of compensation to be received for services rendered in these cases.³

² A copy of the Engagement Letter has been provided to the Fee Examiner.

³ At AAFAF’s request, OMM engaged contract attorneys to provide document review services in connection with certain litigation matters at discounted rates. The fees for such contract attorneys were billed to AAFAF at cost and

SUMMARY OF SERVICES

17. During the Interim Period, OMM provided important professional services to the Debtors in connection with the Title III Cases. Detailed descriptions of the specific services provided and the time expended performing such services are attached as **Exhibit B**, and a summary of the services OMM provided to the Debtors during the Compensation Period is set forth below.

18. The Compensation Period was an extremely busy and productive time for OMM in connection with both the Title III Cases and out-of-court restructuring efforts related to other entities and instrumentalities. As discussed in further detail below, during this period OMM worked extensively with AAFAF and other government officials endeavoring to bridge the gap with the Oversight Board with respect to Fiscal Plan and Budget issues — and where agreement could not be reached, OMM worked with AAFAF to protect the important policy making functions of the Puerto Rico government. Specifically during the Compensation Period, OMM worked extensively with AAFAF and its other professional advisors in connection with:

- Submission of a second revised Commonwealth Fiscal Plan to the Oversight Board on February 12, which responded to the Oversight Board's February 5 notice of violation;
- Negotiations with the Oversight Board that preceded submission of a third revised Commonwealth Fiscal Plan on March 23;
- Preparation of a letter from Governor Rossello to the Oversight Board sent on April 2, which addressed suggested revisions to the third revised Commonwealth Fiscal Plan set forth in the Oversight Board's March 28 notice of violation;
- Preparation for the Oversight Board's April 19 meeting, at which the Oversight Board's Fiscal Plan was certified;
- Preparation and submission on May 4 of a Commonwealth Budget for the 2019 fiscal year;

disclosed in OMM's fee applications.

- Preparation and submission on May 6 of a written statement to the U.S. Congress pursuant to section 205 of PROMESA regarding certain policy initiatives in the Oversight Board's April 19 Fiscal Plan; and
- Negotiation of the agreement announced on May 20 between Governor Rossello and the Oversight Board related to the Fiscal Plan and the Budget and preparation and submission of related legislation to the Puerto Rico Legislature.

19. In addition to Fiscal Plan and Budget issues, OMM expended significant time during the Compensation Period in connection with the Commonwealth's loan to PREPA and the prospective Community Disaster Relief loan for the Commonwealth. Specifically, OMM worked to protect the Commonwealth's interests as lender in connection with documentation of the PREPA loan and related litigation, which involved extensive discovery and deposition preparation. As a result of these efforts, the PREPA loan closed in late February.

20. OMM also represented AAFAF in connection with various other litigation matters during the Compensation Period, including renewed motions by various creditor groups related to Fiscal Plan and Budget issues and a renewed motion filed by the Official Committee of Unsecured Creditors related to the causes of Puerto Rico's fiscal crisis. In addition to responding to and preparing for hearings on these motions, OMM expended numerous hours preparing a categorical privilege log providing support for over 100 categories of deliberative documents generated over the course of developing the 2017 and 2018 Fiscal Plans.

21. During the Compensation Period, OMM also reviewed and revised the Commonwealth's 2015 audited financial statements, which were publically released on June 30, 2018. As part of this process, O'Melveny updated the Management's Discussion and Analysis section, added analysis regarding the Commonwealth's going concern, uncertainties and liquidity risk, and updated the Subsequent Events note to include all material developments through June 29, 2018. These updates included a detailed description of PROMESA, the filing of the Title III cases and key developments therein, the status of key creditor litigation, and the developments

related to consensual restructuring agreements under Title VI.

22. Finally, OMM successfully advanced the out-of-court restructuring efforts of several other entities and instrumentalities during the Compensation Period. As discussed in detail below, OMM negotiated and finalized an amendment to the GDB Restructuring Support Agreement, which resulted in significant modifications to the proposed GDB Title VI transaction, largely to provide additional relief to Puerto Rico's municipalities in the aftermath of Hurricanes Irma and Maria. OMM also analyzed potential Title VI transactions for several other entities, including UPR, PRIFA, PBA, and PRIDCO. With respect to certain of these entities, OMM negotiated forbearance and nondisclosure agreements.

23. As a result of all of these various work streams, OMM submits that the fees and expenses for which it seeks approval were reasonable and necessary. All fees were also billed at a 15% discount to OMM's 2017 hourly rates.

24. Additionally, OMM has established subject matters categories (each, a "Matter Category") for keeping time records of the work performed for the Debtors. The following is a summary, by Matter Category, of the professional services provided by OMM during the Compensation Period.⁴

a) Business Operations

25. This category includes all matters relating to the business operations of COFINA. During the Compensation Period, OMM attorneys analyzed certain issues regarding the Sales and Use Tax collection system, the Lehman-COFINA derivative agreement, and certain payment issues.

⁴ Several of the matter categories do not appear in this summary because OMM did not bill a substantial amount of time under those categories during the Compensation Period. **Exhibit B-1** and **Exhibit B-2** provides a complete summary of hours billed and total compensation requested by matter category.

b) Case Administration

26. This category includes all matters relating to general case administration and coordination, and assisting COFINA in fulfilling its duties as debtor in possession, and serves as a general code for services performed that do not fit under any other specific code. During the Compensation Period, OMM attorneys corresponded with the Puerto Rico Department of Treasury regarding the payment of COFINA professionals and analyzed COFINA Agent fee issues. In addition, OMM attorneys drafted daily summaries of key case developments for AAFAF, prepared various letters regarding professional fees, and reviewed multiple proposed COFINA EMMA notices.

c) Fee Applications

27. This category includes all time spent by OMM attorneys preparing its fee applications. During the Compensation Period, OMM spent time preparing its monthly fee applications for February through May. OMM attorneys also prepared its second interim fee application for work done in connection with the COFINA matters.

d) Plan of Adjustment

21. This category relates to all work done on issues relating to COFINA's plan of adjustment. During the Compensation Period, OMM professionals engaged in dialogue with the Oversight Board and its restructuring advisors to discuss the development of COFINA's plan of adjustment. OMM attorneys also engaged in mediation efforts in relation to COFINA's plan of adjustment.

e) Litigation

23. This category includes analysis, preparation, and prosecution of adversary proceedings or other litigation. During the Compensation Period, OMM reviewed and analyzed motions filed by various creditor constituencies. OMM professionals also spent time reviewing

and responding to the Ambac Rule 2004 motion as it related to COFINA revenue, including researching and analyzing sales-and-use tax collection after Hurricane Maria.

f) Commonwealth-COFINA Agent Adversary Proceeding

25. This category includes all work done in connection with the Commonwealth-COFINA Dispute adversary proceeding. During the Compensation Period, OMM attorneys analyzed and responded to pleadings and other documents filed by the Commonwealth and COFINA Agents and other interested parties, analyzed expert reports, deposition transcripts and related exhibits, attended depositions, assisted in the preparation of the Puerto Rico Department of Treasury's modified disclosure statement regarding the sales-and-use tax, and conducted research, analysis, and negotiations in connection with the settlement process.

ATTORNEY CERTIFICATION
